

The 2004 ITEA Award Recipients

Special Achievement Award *Kendall C. Elliott and Test Team Members*
Naval Surface Warfare Center, Indian Head Division

The Special Achievement Award is given for an exceptional act of achievement in T&E, such as the solution of a major problem or a notable project success.

Technical Achievement Award *B-1B Electronic Warfare Test Team*
(Modeling & Simulation) *Eglin Air Force Base*

The 2004 Technical Achievement Award recognizes an individual or group for outstanding use of modeling & simulation in a test and evaluation program.

Richard G. Cross Award *The Test & Evaluation Basic Course*
Technical Review Committee
Army Test and Evaluation Command

The Cross Award is named after the late Major General Richard G. Cross, Jr., USAF, a highly respected figure in T&E and one of the first directors of ITEA. It is presented for a significant contribution to T&E education in teaching, administration, or research.

Time-Space-Position Information and *Richard Denman*
Electro-Optics Award (TSPI/E-O)

The TSPI/E-O Award is given for the advancement of Time-Space-Position Information (TSPI) and Electro-Optics (E-O) instrumentation. It includes an engraved crystal trophy and check for \$1,000 from ITEA, made possible by the sponsorship of L-3 Brashear. Mr. John L. Kidder, Director of Business Development, will participate in the presentation ceremony.

Publications Award *Dr. Jeffrey D. Peterson, Hal Meyer,*
Dennis L. Jones and Michael J. O'Connor

The Publications Award is given for a book, technical paper, or article that improves or increases the body of knowledge and understanding of T&E.

President's Award *Norman E. Haack*

The President's Award was established in 1996 to give the president of ITEA the prerogative of acknowledging individuals whom he or she deems worthy of recognition.

Board of Directors Award *Roger A. Offerdahl*

The Board of Directors Award, established in 1997, is presented to an individual who has contributed to the growth, development, goals, and mission of the Association.

Allen R. Matthews Award *Paul K. Arthur*

The Matthews Award is named after Dr. Allen R. Matthews, founder and first president of ITEA. It is presented for a lasting, significant contribution to the field of T&E, such as the cumulative effect of a distinguished career.
