

2008 ITEA T&E Professional Awards - Recipients

Allen R. Matthews Award

Dr. Charles E. McQueary, Director Operational Test and Evaluation, Office of the Secretary of Defense

The Allen R. Matthews Award was established in honor of ITEA's founder. The award is presented to an individual for a lasting, significant contribution to the field of T&E, such as the cumulative effect of a distinguished career. It is the highest award bestowed by ITEA.

Special Achievement Award

59th Test and Evaluation Squadron, Nellis Air Force Base

The Special Achievement Award recognizes a recent outstanding achievement in test and evaluation engineering, technology, or management such as the solution of a major problem, or a notable project success for which there is evidence that tangible benefits have accrued.

Technical Achievement Award (Test Instrumentation)

Mr. Duan Tran, Surface Warfare Center, Port Hueneme

The 2008 Technical Achievement Award recognizes a recent outstanding achievement of applying Test Instrumentation in a test and evaluation program that caused the program to be executed better, faster, and cheaper.

Richard G. Cross Award

Captain Susan Bettison, USAF, Air Force Operational Test and Evaluation Center

The Cross Award was established in honor of the late Major General Richard G. Cross, Jr., USAF (Ret), one of the most highly respected individuals in the field of test and evaluation in the 20th century. ITEA presents this award to recognize outstanding achievements in the development or administration of test and evaluation education.

Publication Award

Mr. Dennis L. Boesen, Northrop Grumman Corporation

The Publication Award recognizes outstanding contributions to test and evaluation literature. ITEA presents this award to honor individuals whose published books and technical papers have improved and increased the general body of knowledge relevant to better understanding and development of test and evaluation technology. The literary works considered may be broad in scope or may address a single functional area that is included under the test and evaluation umbrella.

Time-Space-Positioning Information and Electro-optics Award (TSPI/E-O)

Mr. Mark Hess, Atlantic Test Range

The award recognizes individuals who contribute outstanding achievements and made significant contributions to the advancement of Time-Space-Positioning Information (TSPI) data collection and electro-optics (E-O) T&E.

2008 ITEA T&E Professional Awards - Recipients
